

LE DIVIDENDE

LE DIVISEUR

$$\begin{array}{r} \overline{7048} \\ - 63 \\ \hline 74 \\ - 72 \\ \hline 28 \\ - 27 \\ \hline 1 \end{array}$$

Annotations:
- An arrow points to the underlined dividend **7048**.
- An arrow points to the circled divisor **9**.
- The quotient **783** is written below the division line.
- An arrow points to the circled remainder **1**.
- Vertical arrows indicate the downward progression of the division steps.

Le résultat se
nomme le
QUOTIENT

LE RESTE, toujours
plus petit que le diviseur
